Pitzer’s Office of Financial Aid uses the information supplied on the FAFSA, CSS Profile and tax documents to determine the amount your family can contribute toward the cost of your education. Financial aid eligibility is determined by many factors. Income, savings and investments (including real estate), household size and the number of siblings attending an undergraduate college or university. Other factors and special circumstances may be considered on an appeal basis.

## How and When Do I Apply for Financial Aid for 2022–23?
